3. Search for Products

You can search for a product using the search bar on the top right hand side or you can browse by category on the left hand side.

Use the Search function for words like; Polo or Pen.

Use the Browse by Category if you are looking for idea's and don't exactly know what you're after.

4. Add your product to the quote

After you found the product you are after, select it, it will then take you to the decoration section where you can get a quote on embroidery, screenprinting etc. Select the type of decoration you want, and select how many units you require and press add to cart. This will add the product to your quote.

You can add as many products as you like to the quote.
